Kanata Theatre Group

The phrase "Community Theatre" has been used to describe the group, which was formed two years ago. The expression sums up our aim, which is to provide entertainment and enjoyment for all members of the community. As well as stage productions, we have meetings for play-reading and other activities. If you crave to act, work behind the scenes, or if you just wish to dabble in the theatre, come and join us.

Dewi L. Williams.

Laurence Thornton: Our Senior Director has brought a great deal of experience to this Group. He has acted with many little theatre groups, and directed at Queen's University. This is the third play he has directed for our Group.

Ron Maslin: Ron Maslin has great experience in all aspects of the theatre, both in Canada and in England. This is his second appearance on stage in Kanata.

Helen Hunter: This is Helen's first acting role with us. She directed "Heaven on Earth" last fall, coming to us from the Dauphin Players of Ottawa.

Rosemary Hollands: This is Rosemary's third role in the Kanata Theatre Group's productions. However, for family reasons, she was unable to appear in "Rehearsal".

Rosemary Scott: Rosemary appeared previously in our production of "The Lady Killers". She came to the group from the Lakeshore Players of Montreal.

Sue Husband: This is Sue's second appearance. She played a court lady in the teenage production of "Cinderella".

Doreen Boss: Doreen joined our Group last fall. Her first acting role was in "The Voice of the People".

Marg Malcolm: This is Marg's first appearance on stage in Ottawa. She has not been connected with the theatre since her high school days in Montreal.

Jim MacIntosh: Jim recently joined our Group. He was previously with the Sun Life Players of Montreal.

Doug Strong: Doug joined our Group last September, coming from a group in Sydney, Australia.

Barry Eckhart: Barry is new to the theatre. This is his first time on stage.

Dewi Williams: Dewi was one of the founders of this Group. He came from the Stagemasters of Chateauguay.
