PRESENTS FIRST CHILDREN'S PLAY OF SEASON

Kanata Theatre is attempting something a little different with its first children's offering of the current season. The play, **MOONCHILD**, will be a total involvement experience in that it is based on full audience participation. Rather than being passively entertained, the children will take an active part in the play and at the same time, it is hoped, benefit from a rewarding learning experience. Because of the nature of the play, the audience will be limited to 40 children between the ages of six and eleven per performance.

MOONCHILD will be presented November 17 and 18 at the Earl of March Auditorium. Admission is \$1.00. Tickets will be on sale at the Kanata shopping mall Friday evening November 16 and Saturday, November 17 between 11 am and 2 pm. Tickets can also be arranged through the Box Office by calling 592-1715.
